## TrulyTouchless™ Experiences

MedallionClass™ cruising is all about making vacations effortless. Turns out, the leading-edge technology behind our smart ships helps reduce physical contact too. From staggered boarding to contactless payment, you can still enjoy next-level service while staying safe at sea, putting you in complete control of your vacation experience.

## The MedallionClass™ App

The all-in-one app interacts with your Medallion to put the MedallionClass digital experiences at your fingertips. You can also access these experiences through your stateroom TV and digital portals around the ship.
