

MedallionNet™

The Best Wi-Fi at Sea

Fast. Reliable. Unlimited. Affordable. Stay connected while you unplug and unwind.

Wi-Fi Wherever You Are

Access the internet everywhere on board so you can text, post photos, video chat and stream your favorite shows, movies, music and sports with ease. Read on to learn just how revolutionary MedallionNet Wi-Fi is and how popular it is with our guests.

[Watch video: MedallionNet - Stay Connected While at Sea](#)

MedallionNet is available on: Caribbean Princess® | Coral Princess® | Crown Princess® | Diamond Princess® | Emerald Princess® | Grand Princess® | Island Princess® | Majestic Princess® | Regal Princess® | Royal Princess® | Ruby Princess® | Sky Princess®

Coming soon to: Discovery PrincessSM | Enchanted PrincessSM | Sapphire Princess®

Note that ships sailing in northern regions such as Alaska & Northern Europe may experience internet speeds that are slightly slower than when sailing in southern regions. MedallionNet ship implementation schedule is subject to change.

Fast and Reliable Internet

MedallionNet sets the industry standard for internet at sea. FaceTime your pooch in the morning. Stream your favorite shows by the pool in the afternoon. Post your Chocolate Journeys dessert from your dinner table. Thanks to state-of-the-art technology, you can now stay connected with Wi-Fi coverage as you sail.

By clicking select links below, you will leave the Princess Cruises website and navigate to a 3rd party website that is not owned, operated, or controlled by Princess Cruises or any of its affiliates.

Unlimited and Affordable Internet

Get the best rates on our unlimited MedallionNet packages when you purchase for the full voyage. And save even more when you purchase on Cruise Personalizer before you sail with rates as low as \$9.99 per day.* Platinum and Elite guests can use MedallionNet with their Captain's Circle minutes or, better yet, choose an exclusive embarkation day discount on an unlimited package once on board.

[Purchase now for your cruise](#)

*Pre-purchase must be at least three days prior to cruise departure. Pricing and discount amounts subject to change.

What Our Guests Are Saying About MedallionNet Wi-Fi

"I was so incredibly impressed with how well the internet worked and how fast it was too! It was so convenient to use and ended up being really cost effective too (as little as \$9.99 a day!)." – [Lauren V. from Vandifair](#)

"With the rollout of MedallionNet, Princess Cruises is completely changing the game for internet at sea – with blazing fast speeds – and it is now much more affordable." – [Courtney O. from Sweet C's](#)

"Knowing we could access and successfully respond to any pressing work stuff was probably the greatest benefit of all...we wouldn't be leaving colleagues in the lurch or incurring the wrath of overworked bosses." – from the [Kerrie B. blog](#)

"I barely noticed a difference from my home internet...and knowing that I was going to have the internet at sea is probably what made me feel so comfortable leaving [my daughter] for the first time when she was just 6 months old." – [Rebecca H. from Sugar & Soul](#)
